

Fun for all

The island of Fuerteventura receives the youngest members of the family with open arms. From beautiful safe beaches that have been lovingly made by nature which children can experience freely, to an offer of entertainment and fun to be able to enjoy a new adventure every day.

The temperature, with an average of 20 degrees in winter and 23 in summer, offers suitable conditions to visit the island with your family any time of the year. A zoo, an water park, sports schools that give courses for all ages, and a modern range of accommodation specially designed for children, make your stay in Fuerteventura with your family an unforgettable experience.

Beaches for children

With more than 150 beaches, there is always a special beach for you in Fuerteventura. For the youngest, kilometres of white sand where to develop their imagination, with calm shallow seas, they are the perfect choice. There are beaches that have all the services and facilities so that a day on the beach with the family can be a relaxing experience.

Eight blue flag beaches Playa Blanca, Gran Tarajal, Las Playitas, Grandes Playas de Corralejo, Costa Calma, Esquinzo-Butihondo, Solana Matorral, La Concha-El Cotillo; and many others with the very facilities of a well-equipped beach, such as Caleta de Fuste or La Guirra, make spending a magnificent day of sun and beach even better with the youngest in the family.

A plan for every day

As well as enjoying a day on a paradise beach, Fuerteventura also has a wide range of activities designed for the youngest members of the family. There is a different plan for every day.

A zoo, in the south of the island, with more than 150 animal species from all over the world: giraffes, elephants, hippopotamus, camels, reptiles, birds of prey... With one of the

most important botanical gardens in Europe, with vegetation from the African Savannah and Australia, restaurants and shows... more entertainment than you can imagine.

The most fun-filled water park, in the north of Fuerteventura, with slides of all shapes and colours, unimaginable water attractions, within a theme park that also offers animals, restaurant and minigolf.

A boat trip, visiting the island of Lobos, or simply taking a trip on the Atlantic Ocean. Choose what you prefer: sailing boats, catamarans, yachts...

On board a submarine, submerge yourself into the seabeds and observe the wealth of fish, plants... from the safety of a submarine.

A swim with the sea lions, because swimming in sea water with sea lions is an experience that children will remember all their lives.

Visit the most natural aquarium in the Atlantic, with 250,000 litres of salt water and more than 120 species of fauna that live in the sea beds of Fuerteventura.

Take a ride on a camel, at various places on the island, so that you can feel like an authentic man of the desert.

Learn your favourite sport, because in Fuerteventura, the sports schools are designed to offer the experience of practising surfing, windsurfing and all water sports even for the youngest.

A excursion on land, on foot through the network of trails, or on a horse, quad, or a motorbike, to get to know places on the island in a fun way.

Accommodation that pampers your family

The range of accommodation in Fuerteventura is new and modern, and is prepared to meet with children's total activity requirements and fun.

Pools, shows, workshops, ... and endless activities so that the adults can relax and rest while the youngsters have great fun.
