

## Business and pleasure

Time stops in Fuerteventura and life passes by peacefully. Choosing the island as a destination to host congresses, events or incentive trips, is a wise move if what you are looking for is to convert your work sessions into an authentic pleasure.

Its natural landscapes and amazing weather, modern well appointed facilities with a first class professional team, are at the disposal of those that want a paradise in which to work in the best conditions without having to give up pleasure for an instant. Fuerteventura is appreciated more and more every day as a centre for business tourism because on the island work and enjoyment goes hand in hand.

## First class facilities...

The island of Fuerteventura, as the young and modern tourist destination that it is today, has the most exquisite range of installations on offer. The majority of hotels, which are four or five star, offer conference halls, meeting rooms and exteriors that adapt themselves to host any type of event in a magisterial fashion. A large range of luxury hotels, with well qualified and pleasant staff who look after every detail to offer you an unforgettable experience.

There are also auditoriums, congress centres and leisure and art centres in several areas on the island, which complete the range of opportunities available to host any type of business event.

## ... in exceptional surroundings

Because the best of Fuerteventura is its surroundings. A World Biosphere Reserve island, with a pleasant climate throughout the year, where work meetings are necessarily an encounter with nature. Events on the beach or at the foot of a volcano; meetings with sea views; open air congresses... imagine these encounters from a different point of view.

## More than work

Although the work environment is full of tranquillity in Fuerteventura, the island offers a wide range of activities for greater serenity.

Find absolute peace in one of the many spa and Thalassotherapy centres that the island has tucked away, with a list of treatment and care routines for each need and complaint.

Make the most of practising your swing on the three golf courses with amazing landscapes next to the sea.

If you are looking for more action windsurfing, kiteboarding, surfing... will make you release all your adrenaline. Try and experience the sea with a trip on a yacht, delving into its seabeds, or simply allow yourself to calmly stroll through places on the island.

The gastronomy, result of a fusion between the oldest local traditions and avant garde techniques, is present in each corner of Fuerteventura.

Cheese, fish, meat... are always present in a wide and varied range of restaurants to delight all senses.

## At everybody's reach

Fuerteventura is a paradise at everybody's reach. With one of the largest and most modern international airports in Europe, it is connected daily with the main European cities.

More than 80 world airports are directly connected to the island, less than five hours from the farthest European city.

The wide range of flights and companies make the trip to Fuerteventura a comfortable crossing.
