

## An exclusive destination

Allow yourself to be seduced by the luxury that is an encounter between exceptional nature and first class facilities and services.

## Opulent nature

Fuerteventura's natural beauty, a World Biosphere Reserve, captivates the senses of anybody that looks at it, that feels it, that listens to it...

To breathe in pure air, be in contact with the surroundings and enjoy a place that has maintained its natural essence up to now, is a luxury that marks the difference among other destinations and the island of Fuerteventura.

More than 150 beaches in which to loose yourself, turquoise waters and fine golden sand,

will make your days in the sun on the seashores a feast for all your senses.

## Dream installations

Fuerteventura has a high class hotel industry, with more than 70 per cent of beds in four and five star establishments.

New and modern hotels where the most important thing is you, in dream locations, practically on the beach, with unimaginable views and exceptional surroundings.

Specialist services to attend to your needs, from the first to the last, in the hands of a human team characterised by their pleasantness, professionalism and commitment.

## Activities in charming surroundings

A privileged climate that shrouds the island, with average temperatures of 23 degrees throughout the year, invite you to practice your favourite activities at any time.

Its three 18 hole golf courses, situated in unique surroundings with sea views, make practicing your

swing along their unique paths dotted with native vegetation an unexpected pleasure. The 3,000 hours of sunshine a year brighten up the island, make a day playing golf, for professionals and amateurs alike, an exceptional experience.

Paddle and tennis courts, modern cycle lanes, beautiful hiking paths combing the entire island, the latest marinas... complete the infrastructure that Fuerteventura makes available so you can have an unforgettable holiday.

## The pleasure of looking after yourself

The many spa and Thalassotherapy centres of Fuerteventura, scattered from the north to the south of the island, will make the task of looking after yourself a great pleasure.

Located in places of great beauty, with the latest facilities and treatment schedules covering all tastes, the centres are prepared so that you can get away from day to day life, routine, by renewing your body and mind.

Try the treatments with indigenous Aloe Vera from Fuerteventura, recognised throughout the world for its curative and health properties, and accompany them with volcanic stones, seaweed and sea-water baths. Feel how the island's natural properties look after you.

## Exceptional gastronomy

Savour the numerous high class restaurants that offer the exquisite fusion between the best in international cuisine and emblematic dishes of Majorera culture.

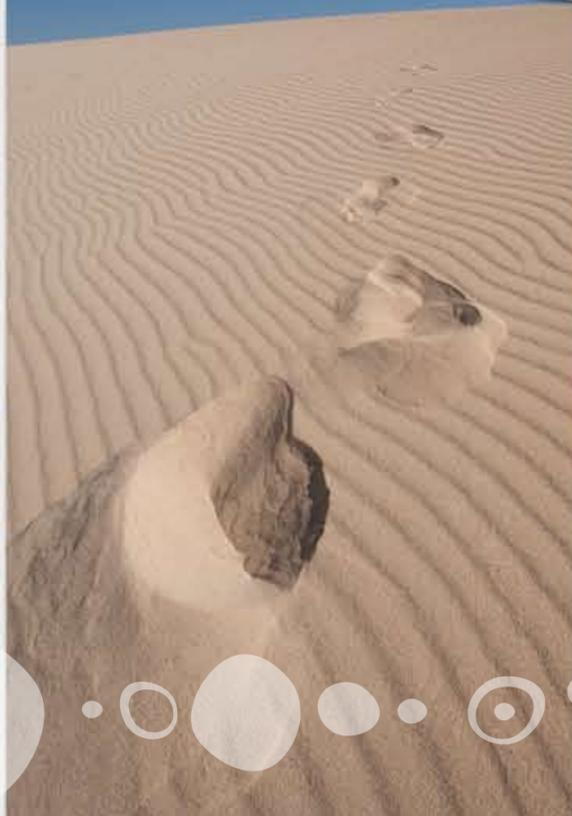

Majorero cheese, world renowned and recognised; fish that that been recently caught; meat from Majorera goats that live freely among the Fuerteventura landscapes... are brought to plate in their best exponential.
